

African Leadership Academy
Developing the next generation of African leaders

SPONSOR A STUDENT AT **AFRICAN** **LEADERSHIP** **ACADEMY**

A powerful way to develop future leadership for Africa is to directly invest in the leaders themselves – by providing sponsorships for students from disadvantaged communities to attend African Leadership Academy (ALA).

Almost all ALA students require some form of financial aid to attend the Academy.

Our need-blind admission policy is central to identifying Africa’s most promising young leaders, irrespective of their family’s socio-economic status.

A full-year sponsorship of US \$30,000 covers all expenses including

Tuition	Round-trip travel
Visa costs	Medical insurance
Room & board	University guidance
